Alternate Eligibility Prerequisites for Summer 2020 Applicants

In response to the Department of Education’s cancellation of spring SATs and June Regents exams, College Now will move toward a proficiency index to determine students' eligibility for our summer 2020 courses. We will consider a combination of students' overall HS GPAs, subject-area GPAs and/or PSAT scores for college-credit course eligibility. Therefore, if you have not taken the ELA Regents or SATs, and still wish to apply, we encourage you to submit your application, transcript and/or PSAT scores to our office for review. Please be advised that we will not consider any students with overall GPAs under 80%.

Course Descriptions

ARCH 1101 Intro to Architecture (3 cl hrs, 2 cr)
Understanding architecture is achieved by developing a visual literacy of New York City’s built environment. Using the city as a living laboratory, students explore concepts of design, composition, and construction by sketching and writing about their direct experience of buildings. Focus workshops on freehand drawing techniques, basic drafting skills, graphic standards, 2D and 3D composition, writing about buildings and their construction, and reading architectural drawings are central to this course. Students develop graphic skills and the basic foundation to talk, write and graphically express architecture and its construction.

ENG 1101 English Composition I (4 cl hrs, 3 cr)
This is a course in effective essay writing and basic research techniques, including use of the library. Demanding readings are assigned for classroom discussion and as a basis for essay writing.

MAT 1375 Pre-Calculus (4 cl hrs, 4 cr)
Topics include an in-depth study of functions such as polynomial functions, inverse functions, radical functions, rational functions, trigonometric functions, exponential and logarithmic functions; solving inequalities; elements of vectors and complex numbers; solving trigonometric equations and identities involving sum, double and half-angle formulas; Binomial Theorem; and progressions. A graphing calculator is required.

*Math Prerequisite: Students must have scored 70+ in Algebra 2/Trig regents OR have a high school math GPA of 85+ AND completion of Algebra 2 course.

The College Now summer 2020 semester runs from July 6, 2020 to August 6, 2020. Students will be notified via mail and email of their acceptance to the program. Acceptance letters will include specific details regarding mandatory orientation and class start dates.
